Is a non-profit organization that partners with local charities in striving to raise awareness and funds for various causes which impact the lives of the members of our community. The Real Estate Professionals' Foundation is a non-profit organization and donations are tax deductible.

Operation Community Cares

Is an organization that proactively supports the health and welfare of our American Servicemen and Women across the globe.

Best of all, OCC carries it's commitment to service people that are at home as well. For some, returning home can be a very trying and stressful experience. We want to see our troops get the very best and we are committed to this very idea.
