IVAR REALTORS and Technology Conference

Connecting REALTORS® to new ideas and better tools

If technology hasn't revolutionized the way you work, you're missing out on a wide array of innovations created to make your REALTOR® life easier and more profitable.

From electronic signatures to GIS-based MLS map searches to low cost marketing via social networking, new tools helping your colleagues and competitors work smarter and more efficiently.

Thursday, October 27th
Ontario Convention Center
8:00am to 3:00pm
